■ How to return bikes to bicycle return locations.

- ① It is a condition that you request this option at the time of reservation and pay 2500 yen at the time of rental at reception.
- ① When you arrive at a return location, please tell your name and number of units to be returned to the receptionist or person in charge.
- ② Please put all borrowed items in a bag and fill out the return form.
- ③ In the event the check sheet is blank, all items are not returned, or there are any damages to the bikes, we may request you to pay and compensate for the damages/missing items.
- ④ **Please return bicycle, any borrowed items, and the return form sheet to the receptionist/person in charge of the bicycle return site.**
- ⑤ Please return bicycle at the location you set at the reservation in principal. If you would like to change the location after your leaving, please be sure to tell us that as soon as possible. We may not accept your request for the change, depending on the situation.
